

## REMARKS

1. Claim 1 has been amended to include the subject matter of Claims 2 and 4. Claims 2 and 4 have been cancelled. Claims 3, 5-14 have been amended to properly depend on Claim 1 (currently amended).
2. Claim 15 has been amended to include the subject matter of Claim 16, and claim 16 now has been cancelled.
3. New claims 19-23 have been added to further define the present invention. No new matter has been added.
4. With regard to the Hanson '151 reference, the system therein is not disclosed that it can associate a plurality of numbers with a subscriber or that the calls, can be repeated at predetermined days, such as every Monday, for example, at a given hour. The present invention does have such capability and is not found in any of the prior art.
5. A telephone interview is requested prior to any final rejection on the merits to consider any suggestions of the Examiner.

Respectfully submitted,
